Dear Mr. Graham:

Thank you for taking the time to send your letter on behalf of the Kitchener Minor Hockey Association regarding its anti-bullying clinics and awareness campaign. I appreciate your keeping me apprised of these projects and thank you for providing me with a Respect/Stop Bullying bracelet.

Providing a safe and supportive place where children and youth can build self-esteem and learn to reach their full potential remains a key priority for our government. I commend the Kitchener Minor Hockey Association and its members for their dedication to fighting anti-bullying in sports.

As your correspondence will also interest my colleague the Honourable Eleanor McMahon, Minister of Tourism, Culture and Sport, I have forwarded a copy to her for her information.

Once again, thank you for writing. Please accept my best wishes.

Sincerely,

A handwritten signature in black ink that reads 'Kathleen Wynne'.

Kathleen Wynne
Premier
