

Coaching Profile: Chad Voisin

Position: Head Coach U12 AA Kitchener Jr Rangers

Experience:

I've been a head coach in minor hockey in Kitchener and Waterloo for the past 25 years. The majority of my coaching career has been focused on the U9 to U12 age groups. I've coached all levels of hockey from BB to AAA. This season I was the head coach of the U11 AA team in Kitchener while previously coaching the U10 AAA the previous year.

During my coaching career I've had the opportunity to learn from some excellent mentors including coaches at the junior and semi-pro levels. I'm passionate about learning new ways to develop and challenge young hockey players.

Philosophy:

My goal is to create an environment where players feel supported, challenged, and excited to come to the rink. Practices are structured, high-tempo, and focused on skill development, hockey IQ, and competing the right way.

I put a strong emphasis on good habits, work ethic, and being a great teammate on and off the ice.

My goal is to develop both better hockey players on and off the ice. Minor sports provides the opportunity for us to teach these young players so many valuable life lessons that can be carried forward in other aspects of their lives.
