Areas of Expertise and Values

Forward with a defensive mind special teams.

To instill life skills and promote team values. Commitment and a hard work ethic are traits in life that add to success, and we will be promoting that with our young athletes.

Positive attitude to teammates and people around us

Promoting a Team first concept

Coaching Philosophy

Puck possession- the more time we control the puck we control the game and will give us a better opportunity to win.

Aggressive play and puck pursuit

Defensive First thought process will lead to good scoring opportunities while being defensively minded

Hard work and a Team first philosophy over individual goals
